

Sport and Achievement Newsletter

Sycamore Academy achieved the Silver mark in this year's '**Sainsbury's School Games Award**'.
This award is a nationally recognised award based on the quality of sports provision at each school and to achieve Silver in our first year is very good going!
Well done to all who have made the school teams this year.

After school clubs

We have had an increase in the number of children attending our after school provision. We have run 14 clubs over the year, which have been accessed by in excess of 300 children!

Sports Day

Over 450 children and adults took part in this year's sports day that included our FS1 children and our Chinese visitors.

The winning team was China who were led by Miss Davies, well done all!

Football League

From September we will be entering into the Nottinghamshire schools football league where we will be playing teams all over the City.

Children please practice over the holidays to try and improve for the team in September.

Parents/carers, we will need your support home and away in our fixtures as we aim to continue the success the current team have achieved.

We wish you all the very best during the holidays and hope you come back fit and fresh ready for another year of awesomeness 😊

Yours faithfully

Mr Eugene Francis, Miss Hannah Whiting and Miss Paisley Strang
(PE Department)
