Champions

Congratulations to our Girls football team who went through the whole tournament unbeaten! They lifted the u'11 Girls cup which featured 18 other primary schools around Nottingham. The team will now compete for Nottinghamshire schools against other cities.

Well done to Ginan Idriouich, Yeldah Sajad, Grace Mesa, Tamara Holroyd, Chayarne Samuels-Stevenson, Michela Antwi and Captain Charnaë Samuels-Stevenson.

This amazing feat along with the boy's team being current Champions of Nottingham has given Sycamore Academy the unique accolade of our Boys and Girls Football Teams being the Champions of Nottingham.

Karnival Cup

On Thursday 13th October Sycamore Academy will compete and look to defend our title at the Karnival Cup which is being held at The Forest Zone, Forest Recreation, Gregory Boulevard. This tournament is highly contested and features over 25 schools. Please come along and support the children and the school from 1.30pm to 4pm.

Football team League and Cup

We played our first league game against Walter Halls with a new look team and came away with a 1:1 draw with a wonderful solo effort by Harry Goddard cancelling out a Walter Halls strike. Captain Charnaë Samuels-Stevenson and Harry Goddard were very impressive.

On Tuesday 11th October we played Cantrell Primary School in the City Cup First Round. We managed to record a 2:0 win with a goal from Henri-Joel Kamdem and a towering header from Malachi Blair. It was an impressive win with Tyler Ring and Donte Lee standing out.

Field Hockey

Sycamore Academy was invited to compete in the city Field Hockey tournament which featured 16 other schools. Sycamore Academy gave a great account for themselves and finished 6th. This is impressive considering the children selected hadn't played field hockey before.

Well Done to Malachi Blair, Jayvon Taylor-White, Donte Lee, Tamara Holroyd, Charnaë Samuels-Stevenson and player of the day Grace Mesa.

Cross Country

Sycamore Academy were again invited to compete in a competition that our school had not competed in before. This time it was Cross Country which featured 25 other schools. We decided to take 4 of our year 5 boys to compete in the year 6 race and all gave a great account for themselves and represented school brilliantly.

Well done to Jayden Foreman, Lorenzo Angeles, Antonio Lewis and Harry Goddard.

Dance

We have employed a Professional Dance Teacher - Hayleigh Trowbridge to help KS2 with their entry in the Nottingham City Dance Championships, we have put on a club for the KS1 which is every Tuesday at price of just £1.00 - the club runs from 3.15pm - 4.15pm.
